Your patient has requested that medication be utilized while **currently enrolled** in our child care facility. Ideally, the administration of medication takes place at home. However, for children who require medication/treatment while **currently enrolled** in our child care facility in order to function in the classroom, our policy does permit selected Assistant Group Supervisors/Staff or the Director of the child care facility to administer medication.

(IF YOUR PATIENT'S MEDICATION OR TREATMENT SCHEDULE CANNOT BE ALTERED SO THAT ALL ARE RECEIVED AT HOME, PLEASE COMPLETE THE REQUEST ON THE PAGE 1 - A SEPARATE REQUEST IS REQUIRED FOR EACH MEDICATION OR TREATMENT).

This must include a list of side effects and confirmation that all side-effects have been explained to and are understood by the parent. Any particularly dangerous conditions being experienced by the child should be spelled out in detail, with the procedure to follow should a reaction occur.

Please fill in all of the spaces. Missing information will cause the form to be returned to you. This will cause a delay in your patient receiving medication/treatment.

Thank you.

Child Care Center Director

DEAR PARENT/GUARDIAN:

Some children need the administration of medication in order to function while **currently enrolled** in our child care facility. Ideally, this should take place at home. If your child's medication/equipment schedule cannot be altered so that everything can be administered at home, you can request that they be given medication while in our care by seeing the Director of the child care facility.

When the medication/treatment prescribed for your child exceeds or differs from that approved by the FDA or the manufacturer, you and your health care provider will be required to submit additional written information to the Center Director prior to approval.

Once the request has been approved by the Director of the child care facility, you will be required to bring the medication to the center properly labeled and packaged by a Registered Pharmacist. The medication bottle must have Saf-T-Closure Cap and the label must include:

- Patient Name
- Pharmacy Name
- Pharmacy Address and Phone#
- Prescription Number
- Prescription Date (current)
- Name of medication, dosage form, expiration date (if relevant)
- Instructions for administration
- Name of prescribing health care provider

This procedure must be repeated **annually and/or each time there is a change in dosage**. Parents/Guardians must pick up unused or expired medication in person, or send an authorized responsible adult with a note from you. Unused medication which is not picked up within 10 days of the expiration date, or by the last day of enrollment in our child care program, will be destroyed/discarded.

If you have any questions on this procedure, please contact the Director of the child care facility.

Thank you .

Child's Name _____ *Date of Birth* _____

EMERGENCY MEDICAL CARE POLICIES

Parents, You are responsible for making arrangements for alternate care for your child if he is ill, needs close supervision or has a contagious condition and cannot attend preschool. You are also responsible for transportation if your child has an illness or minor injury while at preschool, not sufficiently severe to warrant emergency medical transportation.

In the event your child becomes seriously ill or injured and requires immediate medical attention, s/he will be accompanied by staff and taken to the nearest hospital emergency room in an emergency medical vehicle. We will attempt to notify you at once. Under the Medical Services/Minor Act, immediateemergency treatment will be initiated at the hospital. However, your child's teacher and the hospital must be able to locate you as soon as possible, to give either written or monitored verbal permission for comprehensive treatment. Please be sure to keep your child's teacher informed about how to reach you at all times.

You are responsible for the costs of medical treatment if your child is injured. Please contact Early Childhood Health Services if your child needs medical insurance.

A Doctor's note is required before your child can return to preschool if s/he has any of the following: an emergency room visit, certain cases of illness (contagious, serious, requires a long absence, surgery, etc), or certain cases of injury (needing doctor's care, cast or brace, special activities, etc.). If you have any doubt, please obtain a Doctor's note whenever your child goes for medical care.

Dear Parent/Guardian,

The Child and Adult Care Food Program (CACFP) provides a daily nutritional breakfast, lunch and snack for your child. The Office of Early Childhood recognizes the fact that certain foods, due to religious, medical or other reasons, are restricted from some children's diets. Please tell us about your child. This information will be shared with your child's nutritional, health and instructional staff. In order to ensure that your child is receiving an age appropriate, nutritionally sound diet, **requests for food restrictions must be verified by a note from your child's health care provider or religious leader.** If your child has a dietary restriction, efforts will be made to provide your child with an allowable substitution.
